The course is an enjoyable test for players of all abilities and incorporates challenging features from the dry stone 'ha-ha' to the fast flowing river Pont.

Boasting a covered driving range and putting green, members and guests are invited to brush-up on their technique before a game or simply enjoy these facilities throughout the year.

The Keepers Lodge, an ideal 19th hole serving home cooked food and local beverages, is also where you'll find the golf shop stocking a wide variety of equipment, clothing and accessories.

For the less experienced player an enjoyable 9 hole, par 3 course is also available. Whether you are included in a tournament or simply playing for pleasure, you'll enjoy your game at Matfen Hall.

## *A course for all*

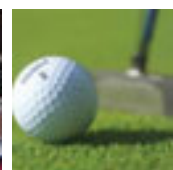

This exciting course is enjoyed by hotel residents, members and casual day visitors alike. You are welcome to reserve a tee time as green fees are available daily, the driving range is also available to you and your guests.

Although the course is easily walked, buggies are available for hire during the main season. Visitors to the area are welcome to hire clubs and a trolley.
