What to Wear

Your privacy and modesty shall be respected at all times during your treatment and while most spa treatments are best experienced without any clothing, your comfort factor is more important. If you are not comfortable wearing the disposable underwear that will be provided, we recommend that you wear a bathing suit for your spa experience.

Men

Men are requested to wear the disposable undergarment or a bathing suit for all body treatments. We also highly recommend that you shave before having a facial treatment. Facial hair does not effect the facial treatment, but it is much more comfortable for you if you are cleanly shaven.
